1**DAY**

Sacred Valley of the Incas all in one day

Our adventure for the day begins between 7:30 and 8:00 am, we pick you up at your accommodation in Cusco and depart in our private transport to our first destination of the day. On the way to Pisac, we will make our first stop of the day, about thirty minutes from Cusco. We will visit the Qorao market, to walk around and see the locals selling their handicrafts. There are handmade souvenirs and some impressive works of art that you can buy as souvenirs of your trip or as gifts for friends and family back home. Here, you will also have the opportunity to take some photos of the incredible landscapes and local wildlife such as llamas.

Next, we will continue to “El Mirador Del Valle Sagrado”. This viewpoint over the valley will give you the perfect opportunity to photograph the Andes mountain range and the Sacred Valley together.

We will soon arrive in Pisac to visit its colorful market and archaeological site. The Pisac complex is known for its terraces that rise from the foot of the mountain to the top in a harmonious way. You will also see the largest Inca cemetery and the Intihuatana de Pisac.

Once finished, we will drive for another hour to Urubamba and enjoy a delicious buffet lunch of traditional Peruvian dishes. There will be a wide range of options available and it is the perfect opportunity to sample many foods.

In the afternoon, we will visit the town of Ollantaytambo to tour its unique and extensive archaeological site that houses water sources, high terraces, temples, and more.

On our way back to Cusco, we will make one last stop in the town of Chinchero. Here you will have the opportunity to visit a beautiful colonial temple, best known for its mural painting above the entrance (this temple was built on Inca foundations). We will also see the Inca walls in the main square.

The highlight of this town is watching the local women making textiles. They will teach you the process and you will have the opportunity to support them by buying their handmade pieces if you wish. Finally, we will continue to Cusco and drop you off at your hotel.
